

## STATE OF SOUTH AUSTRALIA.

## ACREAGE SOWN SEASON 1928-29.

Wheat	3,645,054 Acres	- Increase	320,071 Acres	Total
Barley	248,494 Acres	- Increase	20,531 Acres	Increase
Oats	462,805 Acres	- Increase	5,113 Acres	345,715 Acres.

A little more than 90% of the Wheat Areas should be reaped.

The Government Statist has compiled a preliminary statement of the area either sown or likely to be with cereals for grain, hay and fodder for the Season 1928-29. A more complete and reliable estimate will be made in August.

~~THE STATEMENT REPORTED FOR THE SEASON 1928 TO OVERSEAS~~
